

INSTRUMENT HIRE PROGRAM

Dear Parents/Carers,

All students involved in the instrumental program should have access to a quality instrument on which to practise at home. Regular home practice time is essential for students to make progress.

Given the financial cost of musical instruments and concerns over the longevity of student interest in instrumental programs, some parents/carers are apprehensive about purchasing instruments outright.

Understanding this barrier to instrumental learning, Timbarra has created the instrument hire program.

The school has a limited number of instruments available for students to hire on an annual basis. At the end of each school year, these instruments must be returned to the school for servicing to be ready for the following year.

Instrument Options

Timbarra P-9 College have a number of instrument hire options available to families. See the attached pages for more information.

Please return the section below with your child's name and instrument selection to Mr Stock. The hire fee will then be generated in Compass for parents to action.

Payment Methods

- Compass Pay – Preferred option
- BPAY
- EFT
- Cash
- Centrepay (if eligible)
- Payment plans (by prior arrangement with our office staff)

Financial Support for Families

Timbarra P-9 College makes every effort to keep the cost of items and activities to a minimum and affordable for all parents. We are always sensitive to, and sympathetic towards families in financial difficulty. For special circumstances, alternative payment procedures may be organised by prior arrangement, in strict confidence, with our Business Manager or Maura Conroy, Office Administration. Please contact our office on 9704 2744 if you wish to discuss payment options.

We understand that some families may experience financial difficulty and offer a range of support options, including:

- Centrepay
- Payment plans (BPAY, Direct Debit - by prior arrangement with our office staff)

Yours sincerely,

Eric Stock
Music Coordinator
