

Literacy and Numeracy Parent Helpers Session 2023

We are excited to be able to offer an additional parent helpers session this year. This additional course will be a condensed version of our 'Parent Information & Parent Helpers Sessions' offered at the beginning of the year and is a great way for you to be involved in your child's education at school. In addition, the information you will receive during the session will enable you to help your child at home. If you have time during the week on a regular basis and wish to support your child's class in their Literacy and Numeracy program or you just want to increase your own personal knowledge on how to help your child at home, then you are invited to join us on Monday 29th of May to gain your Literacy and Numeracy Classroom Helpers certificate.

If you would like to assist in the classroom during the Literacy and/or Numeracy block, this session needs to be completed. It is also a requirement that those people wishing to help in the classroom have a current Working with Children Check.

This helpers session will run on Wednesday the 29th of May 2023, 9.05 – 10.05am, at the front office. Please be punctual as the course will start promptly at 9.05am.

Please choose one of the following methods to book a place and choose a session preference.

1. Print and complete this form and return it to your child's classroom teacher.
2. Phone the office on 9704 2744 and leave your details and preference.
3. Email the school at Timbarra.p9@education.vic.gov.au and leave your details and preference.

Kind Regards,
Adel Murtagh (Numeracy Learning Specialist) and Debbie Westhead (Literacy Learning Specialist)
